

Information about the Applicant	
Grantee (Company Name)	Intermec Technologies Corporation
FCC Contact Person	Dave Fry
Address	550 Second Street SE
City, State, Zip	Cedar Rapids, IOWA, 52401
Job Number	INMC0428
Model	PB50
FCC ID	EHA-RN41
Agent	Sean MacKellar
Approval Type	Class II Permissive Change
Equipment Class	DSS Part 15 Spread Spectrum Transmitter
Rule Part	Bluetooth

Overview

This application is for a Class 2 Permissive Change of FCC ID: EHA-RN41. The original grant is for a Roving Network RN41 Bluetooth radio installed in Intermec's PB42 host configuration. Intermec is seeking a Class 2 Permissive change to that grant to allow for a new host configuration, the PB50 printer.

No changes have been made to the radio circuitry or antenna. As in the original grant, the radio is a Bluetooth 2.0 + EDR; however, Intermec Technologies will only be utilizing GFSK modulation with data rates DH1 and DM1. All other modes will be disabled (please see our attestation letter).

Application did not request confidentiality.

No short term confidentiality requested.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
