**Declaration of 802.11 function for Intermec Portable Printer model: PB50**

Herewith, we declare that the above product that we are applying for FCC certification contains the 802.11 function only. We are in the process of getting the Bluetooth (BT) function certified and will not sell the BT version until we got an official approval. The purpose of including the BT instruction in the user guide is to eliminate duplication of work in the future.

If you have any questions regarding the authorization, please don't hesitate to contact us.

Thank you

Yours sincerely
