SUBJECT: Relationship of FCC Grantee Codes EHA and HN2

To Whom It May Concern:

On December 28, 1997, Norand Corporation was merged into Intermec Technologies Corporation. Prior to that, Norand Corporation was a wholly owned subsidiary of Intermec Technologies Corporation. A copy of the Articles of Merger is attached.

Intermec Technologies Corporation maintains two FCC Grantee Codes, identified above, which were established when Norand Corporation and Intermec Technologies Corporation were separate business entities. The two codes allow us to readily identify which of the two product development sites (Cedar Rapids, Iowa or Everett, Washington) has the overall responsibility for a particular product filing.

No IPR restrictions exist with regard to the reference or use of information between filings under FCC Grantee Codes EHA and HN2.

If there are further questions, please contact me (phone 319 369-3541; fax 319 369-3299; email [Stu.Adams@intermec.com](mailto:Stu.Adams@intermec.com)).

Sincerely,
