Re: EHA802MIAG-CV60 Integral Antenna Status

To whom it may concern,

Intermec Technologies Corporation hereby declares that the CV60 forklift mount data collection computer utilizes a custom integral antenna assembly for the 802MIAG radio sold in the United States. The antenna assembly used in the CV60 computer has been custom designed to mount inside the CV60 case, and can not be used in any other product.

Intermec Technologies Corporation hereby declares:

The antenna assembly in the CV60 conforms to the Part 15.407(d) requirements  
The custom antenna assembly is internal to the CV60 assembly  
Disassembly of the CV60 is required to access the antenna assembly  
There is no external antenna option for the 802MIAG radio in the CV60 device
