Subject: Class 2 Permissive Change FCC ID: EHABTS080

Dear Application Examiner:

Intermec Technologies Corporation is submitting a Class 2 Permissive Change application for the Model BTS080 radio, FCC ID: EHABTS080. In addition to the limited modular approval configurations that are currently authorized and on file with the FCC, approval is sought for a full (non-limited) Modular configuration under FCC 15.247. This is permitted per KDB 178919 D01 Permissive Change Policy v04r04, Item 6b).

A letter describing compliance with all the requirements of FCC 15.212 has been submitted with this application.

No changes have been made to the hardware, antenna, or software of FCC ID: EHABTS080

Your efforts in reviewing this application are greatly appreciated.

Please contact me by telephone at (425) 267-2923 or by e-mail (sean.mackellar@Intermec.com) if there are questions or additional information needed concerning this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Sean MacKellar".
