Overview

This application is for a class II permissive change to the grant for FCC ID EHABTS080, to change to a full modular approval, as allowed by KDB 178919. The device meets all of the requirements to be granted as a full modular device. No changes have been made to the device nor to the software.

A letter listing the applicable modular requirements was submitted.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
