Subject: Antennas- Reply

Message:

As requested, please find a list of antennas and mainbeam gain used in the Original Application and the present Class II Permissive Change Application:

Original Application:

0 dBi Snap on Antenna
2.2 dBi Standard Dipole Antenna
13.5 dBi Yagi Antenna

Class II Permissive Change Application:

21.0 dBi Parabolic Antenna
16.0 dBi Patch Antenna
12.0 dBi Omni Antenna

We trust this meets the requirements of the Commission and the Grant will be issued shortly.
