Re: Sierra Wireless FCC ID: N7N-EM3420P

FCC Part 22 and 24 Certification Request for Confidentiality

Gentlemen:

In accordance with 0.459 of CFR 47, Sierra Wireless hereby requests confidentiality of the Block Diagrams, Schematics, Theory of Operation, Antenna Specifications, Parts List, Product Specification, and Tune-up Procedure attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product in which Sierra Wireless considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Sierra Wireless considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Geoff Schulteis
