Dear Sir:

SUBJECT: FCC Certification Application, FCC ID: EHARFID2000

Please review the following application for a change in identification. A 159 form authorizing credit card payment in the amount of \$1025.00 and an electronic application for the change has been submitted by Intermec Technologies Corporation.

Intermec Technologies Corporation has purchased all rights to the RFID product from IBM. Since the product line has become the property of Intermec Technologies, IBM has requested we place the FCC ID under our control.

There are no changes to the product, only the change in FCC ID. The data currently on file with the FCC is still representative of this products regulatory characteristics. Accompanying this letter are photographs of the label placement, as well as label diagrams for your records.

Please contact me at (319) 846-2415 or e-mail frydave@norand.com should you have any question regarding this change in FCC ID.

Sincerely,

A handwritten signature in black ink that reads "Dave Fry". The signature is written in a cursive style with a large, sweeping "F" and a long, trailing "y".

Dave Fry,
Regulatory Engineer II
