Re: Application for Frequency Hopping Spread Spectrum Transceiver Certification

Gentlemen

Application:

Intermec Technologies Corporation, 550 Second Street SE, Cedar Rapids, Iowa 52401-2029 herein submits: Application for Equipment Authorization (FCC Form 731 with integrated Fee Processing Form, Fee Codes EGC and EBC), application fee in the amount of \$1130 and Exhibits; for Certification of a Frequency Hopping Spread Spectrum Transceiver FCC ID: EHARFID2450PCC-5. Intermec is also the manufacturer of this equipment.

Confidentiality:

Pursuant to Section 0.459 of the Commission's rules (CFR 47), Intermec requests confidentiality for portions of the material contained in this application and that the identified material be withheld from public inspection following the grant of this authorization. This material contains Intermec trade secrets and confidential information that Intermec does not customarily release to the public and which is otherwise not generally available to the public. Confidentiality is requested for the following exhibits:

- Appendix K Theory of Operation
- Appendix L Schematics and Parts Placement
- Block Diagram

Description:

This equipment is a FHSS radio module, which operates in the 2400-2483.5 MHz band. It can interrogate and write to RFID tags operating in the same frequency band. Modular approval is requested since the PCMCIA design allows use in multiple hosts of various configurations.

Contact Information:

Please contact me by telephone at (319) 846-2415 or by e-mail (Dave.Fry@Intermec.com) if there are questions or additional information needed concerning this filing.

Yours truly,

Dave Fry,
Regulatory Engineer II
Intermec Technologies Corporation
EMC Test Laboratory
