**To Whom It May Concern**

Dear Sir / Madam:

**Re: Family Listing of IC: 173A-RFP4445**

This is to advise that Mitel is requesting a family listing for the RFP 44 and the RFP 45 under a single registration.

The RFP 44 is identical to the RFP 45 except that the RFP 44 supports fewer voice channels than the RFP 45 (due to a software setting).

Sincerely,

Paul Scott
