To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive change for FCC ID: EJE-WB0041.

The reasons for this Class II permissive change filing are:

1. As documented in the original application which was granted on 10/30/2006, two of tablet viewing positions have been disabled by firmware. In this Class II permissive change filing, all four viewing positions are enabled.
2. Tablet model name is changed from P1610 to P1620.

Best Regards
