Subject: Class II Permissive Change – FCC ID: EJE-WB0080

Please receive a Class II Permissive Change application for FCC ID: EJE-WB0080.

This application is for a Class II permissive change for a previously Granted portable notebook PC. The Secondary Landscape edge of this tablet was disabled during the previous submission and Grant. This edge is now enabled for operation and hence SAR was re-tested for this edge. Results are shown here-in this report"

SAR test report is submitted to support this Class II Permissive Change.
