Dear Mr. Luu,

Re: Authorization for Intel Corp. to use GemTek FCC Reports

In view of a close and long term collaborative working relationship between GemTek Technology and Intel Corp. We would like to grant Intel Corp. the permission to use our FCC test Reports of WL-211F for the application of their FCC ID.

Intel model number: AP311

Intel product name: Intel AnyPoint Wireless II Network PC Card

Please, extend your kind assistance to Intel Corp. Thanks a lot.

Yours Sincerely,

Bill Chang 7/2/01
