

Information about the Applicant

Company Name	Intel Corporation
Grantee	Juha Junkkarinnen
Address	5200 NE Elam Young Pkwy
City, State, Zip	Hillsboro, OR 97124
Job Number	INTE4989
Model	Imote1
FCC ID	EJM-IMOTE1
Agent	Northwest EMC
Approval Type	Original
Equipment Class	DTS Digital Transmission System
Rule Part	Bluetooth

Overview

This application is for an original certification of Intel's Bluetooth transmitter, FCC ID: EJM-IMOTE1. Intel is seeking a limited modular approval of the Bluetooth radio in their Bluetooth beacon, M/N: Imote1. The transmitter consists of a Zeevo TC200IP Bluetooth chip installed in Imote1. The radio operates in the 2400-2483.5MHz frequency band with a peak conducted output power of 0.72 mW.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
