Hi Mike,

Please see attachments for the peak readings and revised user manual (page 4).

Thanks!

regards,

Notice\_content

-----  
Question #1: Only Average readings are submitted in page 15 of test report. Per 15.231 (b)(2) requirements, when average measurement are employed, the provisions in 15.35 for averaging pulsed emissions and for limiting peak emissions apply. Please submit the peak readings for those data taken in page 15 of test report.

Question #2: User manual does not contain the information required under 15.21 of FCC rules. Please provide revised user manual.

Best Regards

Mike Kuo / TCB Certifier

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
