

20mm x 12mm

Dimplex
FCC ID: ELY547-47-1004J-R
IC: 1492A-471004JR
Model No.: 47-1004J
3-stage On/Off Remote with EEPROM, 433MHz
Input: AC 120V~ 60Hz
Output: AC120V~ 60Hz
Made in China

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

The statement is put on the final product.
