

20mm x 12mm

**JECKSON**  
FCC ID: ELY547-47-1020  
IC: 1492A-471020  
Model No.: 47-1020  
RF Wireless Remote Switch, 433MHz  
Input: AC 120V~ 60Hz, 15A  
OUTPUT: AC120V~ 60Hz  
Made in China

### Marking Artwork & Location

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

The statement is put on the final product.
