

After discussion with NJ Product Team, POP clear warning labels should be printed in white for best readability on grey or black and RED for white products. In addition, we are adding a second clear label regarding USB. Please note position has changed slightly to accommodate second label. mbp 2.22.18

USB charging port to charge non-wireless charging devices and those in cases with metal

do not place metal phone cases or metal objects in the wireless charging area

POP label for production
