RE: Electronic Systems, FCC ID: ENPESTEEM195ED. IC: 1457-195ED

To Whom It May Concern:

Electronic Systems, FCC ID: ENPESTEEM195ED. IC: 1457-195ED uses the Ubiquiti Networks XR9 module in their unit; as such, some tests do not need to be repeated. For RF Output Power, Conducted Spurious Emissions, Power Spectral Density and Occupied Bandwidth test results, please refer the original test report for Ubiquiti Networks, FCC ID: SWX-XR9/IC: 6545A-XR9.

If you have any questions, please let me know.

Regards,

Anderson Soungpanya Wireless Engineer MET Laboratories, Inc. 408-207-4780 asoungpanya@metlabs.com
