

August 12th, 2004

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

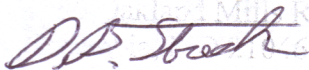

To Whom It May Concern,

0.459 Request that materials or information submitted to the Commission be withheld from public inspection.

The information included in this filing contains innovative new design specifications for the new ESTeem 195Eg product. We have spent considerable time researching and developing this product to out perform our competitors and request for the Schematics, Parts List, and Block Diagram not be released to the public.

If you have any questions or need additional information, please feel free to contact us.

Sincerely,
Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

D. Brent Strecker
Vice President, Engineering
Electronic Systems Technology Inc.
