√	A	1	<p>The grantee information provided on form 731 is inconsistent with that listed on the FCC website. Please submit any changes in grantee information to the FCC pursuant to 47 CFR §2.926</p> <p>Therefore the Grantee EO9 Lists:</p> <p>2111 N. Molter Road Liberty Lake, WA 99019</p> <p>And your application lists:</p> <p>2401 North State Street Waseca, MN 56093-0735</p> <p>Therefore we cannot grant you your application with the E09 Grantee code and input the 2401 North State Street address. It is just not possible.</p>	<p>Can you explain a little more why Waseca should have its own number? Not too many years ago we went to the common EO9 for the 1 organization (both facilities) per direction from someone (not sure who...)</p> <p>I went back and looked at the last 100GDLR grant and it shows the LL, WA address and I would like to stay consistent for the 100G family. I thought I had filled out the app the same this time as last also. at least till we figure out if we want to change things moving forward, can you update the app for WA?</p> <p><i>Application Updated.</i></p>	<p>08October2009 Holcomb</p> <p>08October2009 Holcomb</p> <p><i>Jessina Hunter 10/8/09</i></p>
√	A	2	<p>The FCC ID has the Grantee Code Listed twice in it. Please verify whether this is correct. Currently Listed as: EO9EO9-24ZRA</p>	<p>Yep, this should be fixed to one 'EO9'</p> <p><i>Application Updated.</i></p>	<p>Holcomb 09Oct09</p> <p><i>Jessina Hunter 10/9/09</i></p>
√	C	3	<p>In accordance with 2.925, the FCC ID number should be on a single line. Currently other information is included on this line.</p>	<p>It has been determined that the rules do require the ID on a single but not necessarily on a separate line,</p>	<p>Holcomb 09Oct09</p>

				however the ID should stand out more just to do the right thing. Internal checklists have been updated to have the IDs stand out more, moving forward.
