

Non-Conformities FCC ID: EO9FC200A (CKC CS Ref # E07-000035-01)

The items listed below represent requests for information following review of this application for certification under United States (FCC) regulations. . Further question may arise pending review of responses to these items.

1 Please confirm power output listing in test report. The last certified power output was 0.248 Watts. Please confirm whether power output reported is conducted or is listed in other units, such as EIRP.

Response: A revised test report has been uploaded with the power output revised.

2 Please provide antenna installation instructions for mobile antenna.

Response: Additional information has been uploaded.

3 The spurious emissions data reported in the test report does not report data in dBc terms as required by technical specifications. Please provide demonstration of compliance with 101.111(a)(5) in equivalent units.

Response: A revised test report has been uploaded.
