Dear Sir/Madam:

Enclosed please find an FCC EOA-24LIVIOITER certification application. The device is a wireless hearing aid intended for use by the hearing impaired. The wireless features are used during the initial fitting of a hearing aid to program the hearing aid, and used during normal usage to communicate control information and digital audio to and from any properly configured Bluetooth Low Energy compliant accessory and between a binaural pair of Livio hearing aids. Note that this is the right hearing aid. The corresponding left hearing aid is certified with FCC ID: EOA-24LIVIOITEL.

Further details and supporting documents are attached.

Should you have any questions, please feel free to contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "William J. Mitchell".
