Ref.: Request to Supercede

To Whom It May Concern:

STARKEY LABORATORIES INC.

FCC ID: EOA-TM

Date Granted: 01/18/2008

Our customer would like to have the one of the User Manual exhibits that were uploaded superceded. The exhibit is not part of the Users Manual however it should be part of the Operational Description. The title of the document is Hardware Requirements Specs. The customer would like to have this exhibit uploaded correctly under the exhibit type, Operational Description and marked as confidential.

If you need any further information feel free to contact us.

Best Regards,

Gretchen Torres
