Date: 10.20.2010

The SurfLink Remote Control is a remote control designed for use with Starkey Labs, Inc. hearing aids and is intended to allow adjustment of volume, memory, etc of those aids as well as of other hearing aid accessory devices.

This submittal is to request approval for original equipment certification to Part 15.249 under FCC ID number EOA-WR.

Sincerely,

A handwritten signature in black ink that reads "Ken Meyer".

Ken Meyer  
Regulatory Manager  
Starkey Labs, Inc.
