Equipment Authorisation Division
Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

FCC ID: EOTBDP3-CRE800
Product Name: 70W Power Amplifier CRE800

Request for Confidentiality

Pursuant to Sections 0.457 and 0.459 of the commissions rules, we hereby request that the following documents be held confidential:

- Operational Description
- Schematic Diagrams
- Parts List
- Block Diagram
- Internal Photographs
- Tune-up Procedure

These materials contain trade secrets and proprietary information and are not customarily released to the public. The public disclosure of this information might be harmful to the company and provide unjustified benefits to our competitors.

PA module CRE800 is intended to be used in the PLMR (Private Land Mobile Radio) 800MHz band market and will be mounted within a fixed base station. The base station will be professionally installed. A typical installation would be mounted on a tower. Commonly, the general public does not have access to the base station site; therefore we request the internal photos to be held confidential.
