

FCC ID        EOTBDP3-T881  
Applicant    Dataradio Inc.

              Request for Confidentiality  
              for:  
              Annex A2- Digital Modulation Techniques.  
              Annex B - Circuit Description  
              Annexes E and E1 -Schematics  
              Annexes F1 and F2 - Internal Pictures

              The request for confidentiality as per FCC 0.459 (a) refers to the above  
              mentioned exhibits    uploaded as Annexes of the report.

              These parts    contains proprietary detail of the internal workings of the  
              product and its protocol, the publication of which could be detrimental to our  
              firm if taken out of context by competitors.

              For these reasons we request that the above mentioned documents be made  
              confidential as per FCC 0.457(d)(2).

              Best Regards,

              Norman Pearl
