

DATE : May 3, 2010

Equipment Autorisation Division
Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

FCC ID: EOTBDP4-EXCT438
Product Name: SDR-T-001-438 Exciter

Frequency Range Listing

Calamp is requesting frequency range listing 438 – 512 MHz on the grant of equipment authorization. The operator can't program and transmit on frequencies, other than those programmed by the manufacturer, service or maintenance personnel. It is a violation of FCC rules if the device operates on unauthorized frequencies. The following table is a list of frequencies covering the applied frequency range and their authorized / non-authorized use."
