Request for Long-term Confidentiality

Pursuant to Sections 0.457 and 0.459 of the commission rules, we hereby request that the following documents be held confidential long term:

- [Block diagram](#)
- [Schematics](#)
- [Operational Description](#)

These documents contain detailed system and equipment description and related information about the product which Seco Larm USA Inc considers to be proprietary, confidential, and a custom design and, otherwise would not release to the general public.

Since this design is a basis from which future technological products will evolve, Seco Larm USA Inc considers this information to be of benefit to its competitors, and that the disclosure of information in these documents would give competitors an unfair advantage in the market
