<b>Approval Type</b>	Class II Permissive Change
<b>Equipment Class</b>	DXT Part 15, Low Power Transceiver, Rx Verified
<b>Rule Part</b>	15.249

**Overview**

Guidant Corporation, a wholly owned subsidiary of Boston Scientific Corporation is requesting a Class II Permissive change to a previously authorized device, FCC ID: ESCCRM312005.

The antenna has been replaced by a new design. In support of this Class II permissive change a test report is included in this application.

Since the only change was the antenna, only those items affected by this change are addressed in this opinion.

**Recommendation**

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
