Subject: Request for Confidentiality – Application for Original Equipment Authorization, FCC:
ESCCRM330017

To whom it may concern,

We hereby respectfully request that under the provision 47 CFR 0.459 and 0.457(d) the documents listed below and attached with this application for certification be provided with long-term confidentiality status.

- Schematics
- Operational Description
- Frequency Block Diagrams

The documents listed above contain trade secrets that are treated as confidential by the Guidant Corporation (a wholly owned subsidiary of Boston Scientific Corporation doing business as Boston Scientific Cardiac Rhythm Management). Substantial competitive harm to us could result should these documents be made available to the public while also providing unjustified benefits to our competitors.

We hereby respectfully request that the documents listed below and attached with this application for certification be provided with short-term confidentiality status.

- External Photos
- Test Setup Photos
- Internal Photos
- User's Manual

The short-term confidential exhibits listed above should be held from public view for 180 days, or until we begin marketing of the device, whichever occurs first. We will notify the FCC or the TCB prior to marketing so that these exhibits may be placed in the public database.

Any exhibit / information for which we have requested confidentiality, but which may not be accorded such treatment by the FCC, should be returned to us.

Sincerely,

Peter Musto
Fellow, Electrical Engineer
Boston Scientific Corporation
