Re: Model 6290 Latitude™ Communicator: External Photos

The Guidant Corporation (a wholly owned subsidiary of Boston Scientific Corporation doing business as Boston Scientific Cardiac Rhythm Management) Model 6290 LATITUDE™ Communicator is an in-home patient monitor. The Model 6290 Communicator provides radio frequency (RF) telemetry in the 402 – 405 MHz MICS band for use with radio frequency (RF) enabled BSC implantable pulse generators.

The following are external photos of the Model 6290 LATITUDE™ Communicator.
