**Re:** Model 6290 Latitude™ Communicator: Tune Up Procedure

---

The Guidant Corporation (a wholly owned subsidiary of Boston Scientific Corporation doing business as Boston Scientific Cardiac Rhythm Management) Model 6290 LATITUDE™ Communicator is an in-home patient monitor. The Model 6290 Communicator provides radio frequency (RF) telemetry in the 402 - 405 MHz MICS band for use with radio frequency (RF) enabled BSC implantable pulse generators.

The Model 6290 LATITUDE™ Communicator frequency and power are verified to be within limits during device manufacturing. There is no tune up procedure for the device.
