Re: Withdrawal of Deferral Request for FCCID ESCCRMN11906

Dear Sir or Madam:

We requested deferral of grant of FCC authorization until July 21, 2008 as part of the EA613017 filing for FCCID ESCCRMN11906.

In view of the FDA approval of the COGNIS 100-D and TELIGEN 100 devices on May 8, 2008, Guidant Corporation (a wholly owned subsidiary of Boston Scientific Corporation doing business as Boston Scientific Cardiac Rhythm Management) withdraws its request for deferral and requests immediate grant of the FCC equipment authorization.

Sincerely,

---
