Subject: A dismissal letter of GE3, FCC ID: EUNGE3A

To whom it may concern,

I am writing to inform you that FIC product, GE3 ultra small computer series which got FCC grant in 3/31/2008 under FCC ID: EUNGE3A hasn't been officially sold to United State yet.

To fulfill our customer new requirements, we will go to apply a whole new FCC reports for GE3 to include a Bluetooth module and WALN card under FCC ID: EUNGE3A. Therefore, we would like to ask you to dismiss current FCC ID EUNGE3A which was issued in 3/31/2008 for our ultra small computer with 802.11bg WLAN module.

Any question regarding above, please feel free to contact us.

Sincerely yours,

Tim Lee
