

Hello Tim

Please find our replies below in **BLUE**,

Thanks!!

1. No U.S.A. plug

**RE: Revised, Please see the attached Ext Photo 0914.pdf**

2. Show where the WLAN antennas

**RE: Revised, Please see the attached Int Photo 0914.pdf**

3. DoC logo

**RE: Revised, Please see the attached (PTB50) Label 0914.pdf**

4. How this device is compliant to allowed USA band

**RE: Client product used differ software between the USA, EU and Japan. Differ software choose from differ frequency band.**

**So used specialties software for USA, this device can be compliant to allowed USA band.**

5. MPE exposure exhibit

**RE: Append, Please see the attached MPE Measurement (Liteon) 0914.pdf**
