In re:

Request for Confidentiality

Gentlemen:

In accordance with 0.459 of CFR 47, 'MITSUMI ELECTRIC CO., LTD.' hereby requests confidentiality of Schematics, Block Diagrams, Parts List, and Theory of Operation for the subject application.

These documents contain detailed system and equipment description and related information about the product that 'MITSUMI ELECTRIC CO., LTD.' considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, 'MITSUMI ELECTRIC CO., LTD.' considers that this information would be of benefit to its competitors, and that disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely

KEISHO FUJIWARA
