Subject : Request for Class II Permissive Change  
FCC ID : EW4DW092  
Original grant date : 11/26/2012 (Class2 Permissive Change: 01/30/2013)  
Applicant : MITSUMI ELECTRIC CO., LTD.

To Whom It May Concern:

This is to request a Class II permissive change for FCC ID: EW4DW092, originally granted on 11/26/2012.

We performed SAR testing with our additional host product. The highest measured SAR for a certain configuration (body) is larger than the highest measured SAR for the previous host product under similar test configurations.

Please refer to the test report submitted with this application.

Thank you for your attention to this matter.

Sincerely yours,

---
