Photo 8: Back side 5mm With external antenna without device holder

4. EUT Constructional Details

Photo 9: Front View	Photo 10: Back View With antenna closed
 A photograph showing the front view of a white, rectangular electronic device. The device has a large, dark, rectangular screen in the center. It is placed on a white surface next to a metal ruler. The ruler shows the device is approximately 6.5 cm wide and 4.5 cm high.	 A photograph showing the back view of the white device with its antenna closed. The device has a white plastic cover with a central latch. The brand name "vtech" is printed in black on the back. There are also some small markings and a speaker grille. It is placed on a white surface next to a metal ruler. The ruler shows the device is approximately 6.5 cm wide and 4.5 cm high.
Photo 11: Front View With external antenna	
 A photograph showing the front view of the white device with its external antenna extended. The antenna is a long, thin, white rod that is attached to the top of the device. The device is placed on a white surface next to a metal ruler. The ruler shows the device is approximately 6.5 cm wide and 4.5 cm high.
