

VTech Telecommunications Ltd

To whom it may concern

Purpose of change letter

The modification of Model: BC8113 / HVIN: 35-201877 certified equipment

FCC ID: EW780-2770-01 / IC: 1135B-80277001

falls in the categories of changes allowed by Class Two of Permissive Change being applied for. All changes do not intend for maximum power and change on field strength ratings and operating frequencies.

The change(s) is (are) listed as below:

- a. Increase no. of night light LEDs to make it even.
- b. Increase the thickness of lampshade so that the light can be diffused more even.
- c. Simplify inner structure to prevent light blocking.
- d. Using a better performance cap sense IC for touch key.

There is no functional change to the product and other mechanical designs are identical to the original product.

Regards,
