Re: EW780-5298-B00

COMPANY: VTech Telecommunications Ltd.

Model: 2418 Base Unit

The enclosed application is to request a class II permissive change to above mentioned FCC ID.
The class II permissive change to the FCC ID is required because:

- Transmit antenna is changed from “INVERTED F” type to “WIRE” type

Please feel free to contact me with any questions.

Best regards,

Michael Buchholz
EMC Manager
