Purpose of Change

Dear Sir/Madam:

Re: Application for a Permissive Change Filing with FCC ID: EW780-5656-00 and FCC Registration No.: EW7W401B80-597600

The purpose of this document is to describe all the changes that are made to the VTECH designed family models **AT&T TL78x08** from the previous models **VTech MI6863 CI**, in order to meet the new enclosure and features.

Changes from the existing MI6863 CI to the new models TL78x08:

- Minor change in baseband circuit and PCB layout of base;
- Minor change in battery charging circuit of base & handset;
- The outlook of base & handset is not same as previous models, but basic functionality and intended usage are the same.

Similarities between existing MI6863 CI to the new models TL78x08:

- Same RF chip set and circuitry
- Same frequency band & channels
- Same RF modules in the base and handset units
- Same base and handset antenna
- The power supply scheme and the DC current consumption are very similar
- Basic functionality and intended usage are the same
- Same line interface circuit

Sincerely,

Samson Man
