Purpose of Change

Dear Sir/Madam:

Re: Application for a Permissive Change Filing with FCC ID: EW780-7718-00 and IC: 1135B-80771800

The purpose of this document is to describe all the changes that are made to the new VTECH designed family models **CS6124 (Dual antenna version) – Base Unit** from the original granted model VTECH **CS6114-2**, in order to meet the new features.

Changes from the original granted model CS6114-2 to the new models CS6124 (dual antenna version):

- Add answer machine feature.
- Changed the rating of some periphery components (R402,C419,C416,C466,C441,C447,C460, C446) of Baseband & RF module for answer machine feature
- Line interface portion PCB of Base have changed
- Main & Keyboard PCB of Base have changed
- Power adaptor changed to switching adaptor.
- Dual antennas applied
- By applying dual antennas, the matching circuits for antenna are different

Similarities between original granted model CS6114-2 to the new models CS6124 (dual antenna version):

- Same frequency band & channels
- Same battery charging circuit
- Same circuit of Base
- Same RF PCB of Base
- Same RF module of Base

Sincerely,

Samson Man
