Subject: Original Application for TV Interface Device (HID)
Digital Satellite Receiver With DVD Player / FCC ID: EW7DVD01

Gentlemen:

Enclosed find VTech Communications Ltd.'s Application for Equipment Authorization dated June 25, 2000. This device is in compliance with FCC Part 15, Subpart B.

The subject device is a digital satellite receiver with built-in DVD player. This product contains RF modulator with output on TV channels 3 and 4 and is being submitted for Certification as TV Interface Device. Also, this product contains an UHF Remote Control Receiver and is being authorized under DoC with FCC logo as Remote Control Receiver. The associated 384 MHz periodic transmitter is being submitted separately for Certification under another FCC ID as a Remote Control Transmitter. This EUT was tested in accordance with ANSI C63.4-1992 for intentional radiator.

Should you have any questions or comments, please contact the undersigned. Thank you for your attention and cooperation in this matter.

Sincerely yours,

Richard Mullen
