Specification(s):

Material: White copy paper, bond paper, or equivalent
Paper Substance: Subs. 18 min.

Dimension: 34.75mm x 108mm (1/16th of Letter Size)

PLEASE READ THE FOLLOWING BEFORE INSTALLING ELECTRONIC BALLASTS !

This equipment has been tested and found to comply with the non-consumer limits pursuant to Part 18 of the FCC Rules. These rules are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with local codes and normal ballast installation requirements, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at his own expense.

PHILIPS (04.11.95)
