

Non-Conformities FCC ID: EWQ100W (CKC CS Ref # E10-000033-FCC-01)

The items listed below represent requests for information following review of this application for certification under United States (FCC) regulations. Further question may arise pending review of responses to these items.

OK	ID	#	Non-Conformity or Comment	Submitted Response	Respondent / Date of Response
X	X	1	Note the users manual contains a confidentiality statement. The confidentiality request does not include confidential treatment for this exhibit. While this item doesn't typically qualify for a permanent confidentiality request, the FCC may grant permission if proper justification is submitted for review. This exhibit does however qualify for temporary confidentiality (up to the day marketing of the product begins) should the applicant so choose to pursue temporary confidentiality, a separate cover letter is required. Without a confidentiality request, this item will be open for public inspection. No response necessary to this item.	thanks for the note we will review the footer in the manual for long term needs.	holcomb 28apr10
X	X	2	The ID label placement provided appears to be on a coverplate which is detachable. Please clarify how the ID label and location are permanently attached to the equipment.	this cover is not designed to be removed, but as an install for the mfg process after the unit is potted inside. it is extremely difficult to remove and general tabs are broken off in trying to remove. it's intent is to be installed permanently.	holcomb 28apr10
X	X	3	The RF exposure information provided was calculated incorrectly using a higher output power than reported. Please correct the test report accordingly and supply an updated RF exposure exhibit.	yes, the equations were out of date and have been corrected. see uploaded 247 report. [[j]] the application will need to be updated also. CKC CS Notes: equipment not sold to the general public; installation is intended for fixed outdoor use.	holcomb 28apr10
