Subject: Request for PCII
FCC ID: EWQ100WC

Dear Sir/Madam:

Itron hereby requests a Class 2 Permissive Change to extend the bottom and top of the frequency range to an Automatic Meter Reading module for a utility water meter, FCC ID:EWQ100WC. The original reports and exhibits included all needed data, though the original applications did not indicate the wider range. All other parameters and the RF performance remains the same as before.

Sincerely,

A handwritten signature in black ink that reads "Jay R. Holcomb". The signature is written in a cursive, flowing style.

Jay R. Holcomb
