FCC Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

Subject: AWOS 2000

The AWOS 2000 is a VHF transmitter designed for ground-based, single-station installation. We are seeking original certification approval for this new product under rule part 87.

The majority of the testing was conducted at Val Avionics, Ltd. Headquarters, excluding Part 2.1053 Radiated Spurious Emissions, which was conducted at Northwest EMC, Inc. The unit tested is the same unit, serial number (Unit 1), and has not been modified or changed in any of these tests.

FCC ID: EZN5PRAWOS2000

Thank you,

A handwritten signature in black ink, appearing to read 'J. Harr', with a stylized flourish extending to the right.
