Hi Jaunice,

I have faxed a reply with a copy of form 159 (page 1 only) completed for this application, to the OET at 301-326-3290. I hope that the faxed form is legible; in case of difficulty I here attach a scan of the form. I did not send this through the approved route via your web site as the site does not provide a suitable classification for such attachments.

Although the form 159 is not dated our bank seems to have cleared the payment on 3 April or maybe 4 March (I am not sure what date format they use).

As you raised this request I assume there is some problem. Please could you let me know what is wrong with our payment?

Regards

Graham

Have you paid the fees for this application? Can you provide a copy of the 159 form or other forms of payment. This information has to be current and show that you have paid the fees.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal pursuant to Section 2.917 (c) and forfeiture of the filing fee pursuant to section 1.1108.

DO NOT reply to this e-mail by using the Reply button. In order for your response to be processed expeditiously, you must upload your response via the Internet at [www.fcc.gov](http://www.fcc.gov), Electronic Filing, OET Equipment Authorization Electronic Filing. If the response is submitted through Add Attachments, a message which informs the processing staff that a new exhibit has been submitted must also be submitted via Submit Correspondence. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
